

Milo and the Missing Moon

A story to read together / Page 1

Milo opened his curtains. The moon had vanished! He packed a torch, a biscuit, and his notebook. “I will solve this mystery,” he told his teddy bear.

Milo and the Missing Moon

A story to read together / Page 2

Outside, a cloud floated across the sky. Milo asked the owl if she had seen the moon. “Look patiently,” she said. Milo sat down and listened to the quiet garden.

Milo and the Missing Moon

A story to read together / Page 3

A breeze pushed the cloud aside. There was the moon, shining as brightly as ever! Milo drew a cloud in his notebook. Some mysteries need a clever question. Others need a little patience.
